Dear Liane

I recently used Direct 2 Door a few weeks ago within the North Wales Pioneer in Llandudno and had a very good response in the days that followed. It is also important to note that a few weeks down the line I am still getting calls from new clients who may not have needed my services at the time of distribution but kept my leaflet for future reference. Being a Private Hire Business it is important to get the message to people what excellent rates I charge for local & long distance journeys and also airport transfers. Should anyone require more information then please don't hesitate to call me on 01492 871300 or 07735301153. Alternatively you can email me on [ian.andrews67@btinternet.com](mailto:ian.andrews67@btinternet.com).

I would like to take this opportunity to thank Liane Pattinson of Direct 2 Door for all her assistance and professionalism. You will also be pleasantly surprised by the cost as I was, as I had not gone down this route of advertising before. It was excellent value. I would suggest anyone contemplating leaflet distribution now or in the future to contact Liane who was so helpful from start to finish.

Best Wishes

Ian, Proprietor
